Diabierna mainta durante un rueda di prensa di go-bierno, Prime Minister, Evelyn Wever-Croes, a anuncia cu a Aruba a keda na di dos lug den e region Caribe den e evaluacion di e instituto internacional Caribense CFATF cu a evalua Aruba su sistema di combatimento di labamento di placa y financiamiento di terrorismo (AML/CFT, Anti-Money Laundering and Counter-Terrorist Financing).

Durante e conferencia Sr. Gino Giel, Policy Legal Advisor na Directie Wetgeving en Juridische Zaken (DWJZ) y miembro di e secreterio di e stuurgroep di labamento di placa y financiamiento di terrorismo (AML/CFT) a duna tambe un presentacion cu un resumen cortico di e resultadonan di e rapport di e evaluacion di AML/CFT di Aruba. El a elabora ariba algun punto di e resultado di e evaluacion y algun accionnan di prioridad cu e rapport a recomenda.

Pa loke ta trata resultadonan clave den e rapport nan ta menciona e comprendemento di e risiconan di labamento di placa y financiamiento di terrorismo cu Aruba ta enfrenta, e strategia cu Aruba mester tuma pa cu e tema di ML/TF bayendo pa dilanti, e cooperacion internacional, supervision di Banco Central di Aruba, como tambe e aplicacion di medidanan preventivo door di insitucionan financiero y empresanan y profesionnan no financiero y e sistema pa identifica personanan natural cu ta beneficiario na final di entidadnan legal.

Giel a elabora tambe ariba

FIU (Financial Intelligence Unit) Aruba su uso di informacion financiero di Aruba, e parti di investigacion y seguimiento di casonan di labamento di placa y financiamiento di terrorismo y por ultimo e parti di confiscacion di e actonan criminal.

E prome punto ta e comprendemento di e risiconan. Giel ta splica cu Aruba a completa su national risk assessment (evaluacion di riesgo nacional) na 2020 cual tabata un proceso di dos aña y a envolbe participacion di sector publico y priva. Segun e rapport e descubrimiento di e evaluacion nacional di riesgo tabata rasonabel y comprensivo.

Tambe ta wordo reconoci den e rapport pa autoridadnan competente cu den e sector priva tin un bon comprendemento di e riesgo cu nan ta enfrenta y ta aplica medidanan pa mitiga nan riesgo di labamento di placa y financiamiento di terrorismo.

Pa loke ta e strategia Aruba actualmente tin un draft di un documento nacional di strategia cu ta den su fase final pa aprobacion. Giel ta indica cu e documento aki ta contene un plan di accion intensivo pa adresa diferente vulnerabilidadnan den Aruba su sistema di combatimento di labamento di placa y financiamiento di terrorismo.

Asistencia legal mutuo ta un forma di cooperacion entre diferente pais cu e proposito di colecta y intercambia informacion den casonan penal cu por tin un aspecto internacional.

Pa loke ta e parti di supervision, Giel ta menciona cu Aruba a score hopi bon den esaki. El a sigui splica cu Banco Central di Aruba ta actualmente e unico supervisor di AML/CFT na Aruba pa institucionan financiero y tambe pa empresa- y profesionnan no financiero. Bao di empresa- of profesionnan no financiero ta cay entre otro abogado, notario, car dealers, casino etc.

E rapport ta reconoce cu Banco Central tin un bon comprendemento di su funcion como supervisor y ta implementa un enfoque basa ariba riesgo robusto pa cu su supervision riba e diferente sectornan.

E rapport a constata cu un sistema di medidanan preventivo, incluyendo e rekesitonan pa normanan interno y control ta na lug pa institucionan financiero y tambe pa empresa- y profesionnan no financiero. Esaki ta a base di e ley LWTF (Landsverordening voorkoming en bestrijding witwassen en terrorismefinanciering).

E tema di BO (beneficial ownership) information tambe a wordo trata den e

rapport. Giel ta subraya cu a pesar cu na momento di e evaluacion Aruba no tabata conta cu un estructura legal pa e registracion di beneficial ownership, e rapport ta reconoce cu informacion di beneficiarionan final di entidadnan legal tabata y ta disponibel door di implementacion di LWTF.

LWTF ta rekeri institucionan financiero y empresa- y profesionnan no financiero pa identifica UBO's (ultimate beneficial owner) y verifica nan identidad den cuadro di diligencia debi di e cliente.

Giel a remarca cu entre tanto e cambio den e ley a wordo aproba y aworaki por bay over na implementa un sistema di registracion di UBO's na Camara di Comercio (KVK) cual tur autoridad competente lo por tin acceso na e informacion ey.

FIU (Financial Intelligence Unit) Aruba a haya un bon rating pa loke ta trata e efectividad y tambe a wordo constata cu e informacion cu FIU Aruba ta maneha, incluyendo analisis, ta di calidad halto cu ta yuda otro autoridadnan competente den nan trabou di combati crimen

Tambe Aruba mester evalua risiconan labamento di placa, financiamiento di terrorismo asocia cu tur tipo di entidadnan legal y tuma medidanan pa mitiga e risiconan aki.

Por ultimo Aruba mester evalua e riesgo di labamento di placa y financiamiento di terrorismo relaciona na proveedornan di servicionan activo virtual y tambe adresa e deficiencianan den ley pa loke ta trata sancionnan pa combati proliferacion di armanan di destruccion masivo.

Minister Plenipotenciario Interino, Señor Ady Thijsen:

Aruba tin espacio pa sigui negocia cu Hulanda

A pesar cu e tema di aanwijzing no tawata un punto di agenda den Consejo di Minister di Reino dia-

bierna 15 di juli, Minister Plenipotenciario Interino, Señor Ady Thijsen a splica cu ta importante pa corda

cu CFT ta un organo cu ta duna conseho y esey ta e procedura cu a tuma luga esta, nan a conseha pa Aruba haya un ‘aanwijzing’. Aworaki e conseho ey ta wordo evalua y Aruba ta ricibi espacio pa reacciona riba e conseho aki. Esaki, segun señor Thijsen ta un procedura normal.

Kico Aruba ta bay haci awo? Señor Thijsen a remarca cu si analisa e hechonan, ta mira cu na aña 2020, Aruba tabatin surplus, Aruba tawata bayendo den e bon direccion den gobernacion di Gabinete Wever-Croes I. Despues

Covid a bin y mester tene cuenta cu e consecuencia di e pandemia aki cu tawata hopi devastador pa nos pais. Ariba esaki tambe, tin e impacto cu e situacion entre Rusia y Ucrania tin riba situacion financiero di Aruba y otro paisnan incluyendo Hulanda. Den tur esaki, señor Thijsen ta enfatisa cu mester crea espacio pa sigui negocia.

“Aruba tin espacio pa sigui negocia cu Hulanda pa motibo cu nos no ta den un situacion normal. Mi ta positivo cu nos tin bon argumento y cu nos lo sali for di e impasse. Na e momento aki, Aruba no ta

den un situacion normal y no por keda pone condicionnan. Tin un grens. Pero mester tin espacio pa sigui negocia pasobra ta hunto so nos lo sali for di e impasse aki”, señor Thijsen a enfatisa.

Aruba ta parti di Reino y nos mester yuda otro manera Statuut ta indica. E problema ta nos tin diferencia di opinion. E conclusion cu por a tuma di loka Secretario di Estado, Alexandra van Huffelen a bisa, ta cu e tambe kier duna espacio y cu por haya un solucion pa Aruba y tambe pa Hulanda.

Prome Minister den Parlamento:

Atakenan di parlamentario Dowers riba Procurador General ta inacceptable

Diahuebs ultimo den e reunion publico den Parlamento, un biaha mas Parlamentario Arthur Dowers a ataca Procurador General. Ya ta di dos reunion publico den cual e parlamentario ta haci esaki. Por scucha e atakenan aki den e grabacion di e reunionnan di Parlamento.

Prome Minister Evelyn Wever-Croes den un comunicado di prensa a expresa cu ta incomprendible cu un ex minister y un hurista, ta ataca e PG constantemente y ataca e imagen di nos Ministerio Publico. Minister President, den Parlamento a lamenta cu e parlamentario ta expresa su mes di e forma aki.

“Si Arthur Dowers kier defende Benny Sevinger cu ta sospechoso di corrupcion, ta su escogencia personal. Ami lo tin berguensa di haci esey,

pero esey ta nan asunto. Pero di cynan pa bo bay ataca y ofende PG cada biaha cu bo haya gana, esey si ta di mas”.

Ministerio Publico y Procurador General na Aruba ta institutonan independiente, y cu den un pais manera Aruba mester wordo respecta. Y esey ta conta pa Parlamentario Arthur Dowers tambe.

En bes di para den Parlamento, defende corrupcion, defende Benny Sevinger, e parlamentario mester para den Parlamento y denuncia y rechasa corrupcion, rechasa e hecho cu un sospechoso di corrupcion ta ocupa e funcion di Parlamentario.

Mi a haci un apelacion riba e parlamentario pa stop cu e atake y ofensanan aki, pasobra esey no ta loka nos pueblo kier mira”, Minister President a contesta Parlamentario Dowers den Parlamento diahuebs ultimo.

Conseho di Minister di Reino no a trata aanwijzing

Manera Minister President Evelyn Wever-Croes a informa diaranson ultimo, e conseho di CAft pa un ‘aanwijzing’ pa Aruba no tabata riba agenda di Consejo di Minister di Reino riba diabierna 15 di juli.

Segun un comunicado di gobierno, Minister President

den e siguiente simannan lo atende e tema aki, aki na Aruba y aya na Hulanda. E meta ta pa evita un ‘aanwijzing’ y si e mester bin mes, lo cuminsa prepara di awor caba pa bringa esaki na Raad van State.

“Nos huristanan a duna nos un prome assessment di e conseho y ta convenci cu e no tin suficiente base pa un

‘aanwijzing’. Pues mientras cu nos ta trahando pa evita e aanwijzing, nos lo traha tambe pa bringa e aanwijzing. Mi tin tur confianza cu nos lo resolve e problema aki pasobra e berdad ta na nos banda”, Minister President Evelyn Wever-Croes a duna di conoce.

Studia cu dedicacion y perseverancia awe y bo lo cosecha bon resultado mañan

*Leanne Figuereo, un hoben cu a demostra cu si bo kere y lucha,
bo por logra tur cos*

Un hoben di 17 aña, cu un disciplina extraordinario y confiansa den su mes cu a traha sumamente duro pa logra su metanan, awe ta cosechando e miho resultadonan, como no solamente e miho gradua di su scol, sino tambe di henter e Isla di Aruba.

Leanne Figuereo ta di un famia unda cu for di chikito, semper nan a ser conscientisa di e importancia di un estudio. Su mayornan Rafael y Josefina semper a percura pa su persona y su dos rumanan, semper tene den mente cu e sacrificio di studia awe, lo trece frutonan grandi den

futuro, y esaki ta exactamente loke Leanne a aplica den su bida.

Desde MAVO e tabata un bon estudiante, cu tabata responsabel y disciplina pa semper traha su huiswerknan y studia na tempo pa su examennan, sinembargo, ora cu a yega e momento di pasa di MAVO pa HAVO, e diferencia tabata por a ser sinti. E tabata sa cu e caminda cu e tin su dilanti, lo ta uno diferente. “Mi ta kere hopi hende por tambe bisa cu nan a yega di scucha ‘colegio no ta facil’ of ‘colegio ta hopi trabao’, kiermen ya for di e momento aki caba mi tabatin den mi mente

cu e lo ta un scol mas halto, mas dificil y cu lo ta hopi mas trabao, cual a forma e expectativa cu mi tabatin ora di cuminsa colegio,” Leanne a conta.

Hopi biaha studiantenan por sinti presion y te hasta stress, ora di cambia for di un nivel pa otro, y esaki por causa confusion y bira un obstaculo pa hopi di e studiantenan aki pero di otro banda, tin studiantenan cu no ta consciente ni tuma na cuenta e cambio di nivel cu lo tuma luga na momento cu nan cuminsa un scol di otro nivel. E mensahe y comentarionan cu nos ta expresa tocante e scolnan aki y cambionan aki hopi biaha ta causa un impacto den nos muchanan ora di cuminsa un scol nobo.

Sinembargo, e ta keda na nos pa yuda nos muchanan prepara nan mes mentalmente y ta bon informa ademas di consciente di e cambio cu lo tuma luga den nan bida. Cu e sosten y consehonan continuo di su mayornan, Leanne tabata consciente di e caminda su dilanti, y a crea e meta di logra yega na e fin di e caminda sin importa con duro esaki por ta.

“Mi a premira cu e lo ta algo hopi mas dificil, y e tabata asina. Compara cu MAVO, nos tabatin mas huiswerk, cosnan a bira mas dificil, si bo no let op den les bo ta keda atras di biaha, etc. kiermen, mi mester a adapta y siña con pa parti mi tempo liber pa asina por cumpli cu tur mi tareanan y tin suficiente energia ora di bay scol pa mi por ta presente den klas tanto fisicamente y mentalmente,” el a comenta.

Un di e cambionan mas grandi cu studiantenan por sinti ora di pasa di MAVO pa HAVO ta e nivel den e materianan. Hopi biaha den MAVO, tin e custumber y e suerte di por studia dianoan prome cu e examen, y tog haya bon resultado sinembargo esaki no ta e caso na HAVO, contrario na loke algun por pensa. “E nivel di e materianan ta mas dificil, y bo no por keda sin studia y toch haya bon punto. E lesnan ta bay hopi mas lihe, cual ta haci cu ademas di traha huiswerk na cas e ta sumamente im-

portante pa let op den klas, pasobra bo no ta keda hopi tempo riba e mesun tema mas,” Leanne a splica.

Ademas di e nivel di e materianan, e cantidad di trabao tambe ta aumenta. Aunke bo ta haya e mesun 7 materia, e cantidad di trabao cu mester haci pa cada un di e materianan ta aumenta, “ya mi no tabata por leer pa un materia alabes, mi mester a siña con pa parti mi tempo y siña pa varios materia na mesun tempo, y haci mi best pa cada un di nan.”

Pa por sobrepasa e obstaculo aki, el a traha un schedule di cuanto tempo e lo inverti den cada materia y cuanto tempo e lo inverti den relaha y sosega, cual tambe tabata un parti importante. Cu hopi disciplina el a cumpli cu su schedule tur dia, generando cada biaha miho resultado pa su examennan.

“Un motivacion pa mi persona tabata e logro di por caba colegio. Tambe mi mayornan a motivami semper, pa haci mi miho esfuerso paso semper nan a kere den mi y tabata cordami cada biaha cu apesar di tur obstaculo, mi por logr’e,” el a expresa.

Danki na e sosten y motivacion incondicional di su mayornan, y pa medio di semper kere den su mes y lucha pa sobrepasa tur obstaculo manteniendo su mes enfoca riba tur su metanan, Leanne a haya e miho resultadonan cu e lo por a logra; El a gradua como Beste Geslaagde di su scol, Colegio Nigel Matthews, ademas di a gradua como e Beste Geslaagde van Aruba.

“E tabata algo cu mi no a spera. Semper mi a studia y haci mi best sin ningun expectativa y e tabata un sorpresa ora cu mi a haya sa cu mi ta beste geslaagde di mi scol, y despues di Aruba. Mi ta hopi contento cu mi gran esfuerso a bal la pena y cu mi a logra mi meta. Mi ta conseha tur hoben, semper haci bo best y semper cuminsa leer na tempo. Semper corda cu sin importa kico pasa, si bo haci bo best, e ta mas cu suficiente pa bo sinti bo mes orguyoso di bo mes.”

Secretario di Estado Alexandra Van Huffelen:

Aruba mester percursa pa aumenta e peso di impuesto

Despues di reunion di Consejo di Minister di reino, Secretario di Estado Alexandra van Huffelen a duna un entrevista na prensa di Corsou. A punta señora van Huffelen dicon no a trata e consejo di CAft pa duna Aruba un aanwijzing.

Secretario di Estado Alexandra van Huffelen a contesta cu tin un proceso pa esaki. CAft apenas a duna un con-

seho, pero ainda tin e posibilidad pa Aruba reacciona, y e ta spera cu e ora por sali afo, pasobra ningun hende ta desea un aanwijzing awor aki.

“Nos ta spera cu Aruba sigui traha riba e cambio di e presupuesto pa 2022. Aruba mester hisa su entradanan di belasting of otro tipo di entrada. Aruba mester baha su gastonan tambe, pasobra ta hopi importante pa pais Aruba tin un base financiero

fuerte pa sali mas fuerte for di e crisis. Esey basicamente ta e consejo di CAft. Awor ta Aruba mester reacciona y despues Consejo di Minister di Reino lo trata e topico aki”, Secretario di Estado Alexandra van Huffelen a indica. Hulanda ta preocupa pa e situacion financiero di pais Aruba. Na Aruba tambe Gobierno ta preocupa cu e situacion financiero, desde 2017, segun Prome Minister Evelyn Wever-Croes.

Prome Minister Evelyn Wever-Croes a splica den conferencia di prensa cu Gobierno di Aruba ya ta trahando riba e cambio di presupuesto 2022, y lo entrega esaki despues di reces na Parlamento. Eyden ta tene cuenta cu varios recomendacion di CAft.

“Gobierno di Aruba y Gobierno di Hulanda ta di acuerdo cu Aruba mester sali di deficit y bay den surplus. E

unico diferencia ta, con lihe. Si ta pa CAft e aña aki mester hisa impuesto cu 15 milyon florin, y otro aña cu 170 milyon florin. Gobierno di Aruba a splica hopi biaha cu esaki no ta responsabel pa haci, e lo kibra nos crecimiento economico. Esey IMF tambe a conseha Aruba, pa no forsa mucho hopi ni mucho lihe, pasobra e lo tin consecuen- cianan negativo pa economia di Aruba den futuro, Prome Minister a duna di conoce.

Tampoco Prome Minister Evelyn Wever-Croes ta comparti e opinion di CAft cu Aruba no a haci suficiente pa baha e deficit. “Prome cu pandemia Gabinete Wever-Croes I a realisa surplus den 2019, mientras cu e norma pa 2019 tabata un deficit di 0.5%. Pa 2020 tabata tin un surplus proyecta di casi 1% mientras e palabracion tabata un pruesupuesto balansa, ki-

ermen nada na deficit. Pues nos a prueba cu nos tin e determinacion y capacidad pa haci’e.

Pero e pandemia a benta nos den un deficit di 16%. E aña siguiente nos a baha e deficit pa 9%, e aña aki e deficit ta 4% y awor nos ta bahando e na 2% den e presupuesto supletorio, y pa otro aña tin un deficit proyecta di 0.6%. Di 16 pa 9 pa 4 pa 2 pa 0.6, ta un resultado hopi remarcable. Pues pa e motibo aki nos no ta comparti e opinion di CAft cu Aruba no a haci suficiente”, Prome Minister Evelyn Wever-Croes a duna como reaccion.

Gobierno di Aruba lo sigui na mesa cu Hulanda e simannan nos dilanti pa asina evita un aanwijzing. Ademá ta trahando hunto cu otro instituto di Hulanda pa asisti Aruba den logra esaki.

Oficina di Turismo, A.T.A., ta contento di por contribui na ‘Stimami Sterilisami’

‘Stimami Sterilisami’ no ta un fundacion desconocida na Aruba. Na 2016, Bucuti & Tara a inicia e fundacion aki cu e meta pa confronta e problema di pushi y cacho riba caya di un forma sostenible. Cu e programa aki e gasto di operacion di sterilisacion ta bira significativamente menos pa doñonan di mascota y tambe pa organisacionnan cu ta cuida bestianan riba caya.

Como destino turistico pero tambe como hogar pa nos

hendenan e ta sumamente importante pa minimisa e sufrimento di bestianan riba caya, alivia e molestia visual cu bestianan riba caya ta causa como tambe evita situacionnan cu por causa inseguridad pa nos hendenan y bishitantenan.

Desde 2016, A.T.A. a forma parti di e proyecto aki cu fondonan, conhuntamente cu Bucuti & Tara y TPEF. Hopi biaha A.T.A. ta ricibi critica riba e problema di pushi cu cacho riba caya via diferente canal y ta mira e importancia

di busca solucion conhuntamente pa esaki. Na 2020 debi na e pandemia tanto A.T.A. como TPEF mester a stop nan fondonan y a opta pa pone e proyecto on hold temporalmente. Desde 2022, tanto A.T.A. como TPEF a cuminsa entrega fondo bek na e fundacion.

Recientemente, a celebra e logro di 30,000 sterilisacion desde e comienzo di e fundacion aki. A.T.A. ta gradicir tur cu ta forma parti di e proyecto aki y ta spera di sigui conta cu e cooperacion di nos comu-

nidad pa contribui na menos pushi cu cacho riba caya.

Minister President Evelyn Wever - Croes

Gobierno a reuni cu sindicatonan simar, seppa, sada, spa y topa

Diahuebs 14 di juli, Minister President Evelyn Wever-Croes, Minister di Husticia Rocco Tjon y Minister di Enseñansa

Endy Croes a reuni cu miembronan di sindicato SIMAR, SEPPA, SADA, SPA y TOPA.

Minister President a splica cu Gobierno ta na mesa cu Hulanda ainda riba e pago di 5%. Hulanda a indica cu no ta di acuerdo pa Aruba paga e 5% pasobra Aruba lo no ta cumpliendo cu tur condicion. Mas especifico, e ley di Wever-Croes-Norm, e LNT. Esey tabata un condicion adicional di Hulanda pa por paga e 5%.

Gobierno a entrega e concepto di ley segun instruccion di Consejo di Minister di Reino. Parlamento a trece algun

cambio den e ley y awor Hulanda ta bisa cu pa e motibo ey, Aruba no a cumpli y cu no por paga e 5%. Gobierno di Aruba no ta di acuerdo cu esaki, y ta den dialogo cu Hulanda pa resolve e punto aki.

Minister President kier a informa sindicatonan cu Gobierno a prepara pa e pago pero kier sali afo cu Hulanda prome. P’esey awor ainda no por duna garantia. Di e parti di sindicatonan a trece padilanti cu e 5% aki ta necesario pa e miembronan. Minister President ta comparti e opin-

ion ey.

Aruba ta pasando den momentonan dificil debi na e efectonan di e pandemia y e crisis social economico causa pa e guerra na Ukraina. Costo di bida a aumenta y Gobierno ta sinti cu no por keda sin paga e 5% mas. Minister President a sigura sindicatonan cu nan lucha pa e 5% ta prioridad di Gobierno. Y a pidi sindicatonan keda pendiente pa e reunionnan entre Aruba y Hulanda den e siguiente dianan.

Peticion pa tereno y pa trahado di exterior

For di practica y for di casonan den Corte por conclui cu CORUPCION den forma grandi ta tuma lugha ora di pidimento di tereno y ora di pidimento di permiso pa trahado di exterior.

Awor e pregunta cardinal: pidimento di tereno y di permiso pa trahado di exterior ta algo cu segun ley - mester tuma lugha di forma secreto?

Den tur dos caso "interes general" ta hunga un rol importante di moda cu pueblo mester ta informa pa por opone (entrega "bezwaar") ora interes individual/personal di pueblo

ta den wega.

E conclusion ta cu tur pidimento y dunamento di tereno y di permiso di trabou mester ta - publico - na conocimiento di pueblo.

Pesey gobierno mester pone tur peticion, cu mencion di nombrenan, "online" di moda cu tur ciudadano/negoshi por tuma nota y por opone/reclama ora nan interes personal ta den wega y tambe pa preveni "favoritismo".

Mientras lenguaje de inteligencia artificial ta keda crece e preocupacion di científiconan tambe ta keda aumenta

(NLTimes) – E industria ti tecnologia su componentenan actual ta hopi convincente si bo puntra nan con e ta sinti pa ta un computer cu ta practicamente bibo.

Pero nan no ta asina bon, y tin biaha peligrosamente malo, den maneha otro tareanan cu ta hopi directo.

Por ehempel, GPT-3, un sistema controla pa Microsoft cu por genera paraafnan di texto parecido na loke un humano lo skirbi, basa riba loke el a siña di un base amplio di bukinan digital y publicacionnan online. E ta considera un di e generacionnan nobo mas avansa di inteligencia artificial cu por combersa, genera texto cu por lesa den un instante y te hasta produci imagennan y video basa riba e textonan en cuestion.

Entre otro, GPT-3 por skirbi practicamente loke cu bo pidi, un carta pa un trabao, of un poema na mesun estilo cu Shakespeare. Sinembargo ora cu profesor Gary Smith di Pomona College a puntra e sistema un pregunta comun tocante subi trapi, GPT-3 no por a haci un bon trabao.

“Si, bo por subi trapi riba bo mannan si bo laba nan prome,” e inteligencia artificial a responde.

E sistemanan aki di inteligencia artificial, tecnicamente conoci como “large language models” pa motibo cu nan a ricibi training basa riba un gran cantidad di texto y otro media, ya caba ta ser incorpora den servicio pa clientenan, buskedanan riba google y funcionnan “auto-complete” riba e-mail cu ta caba e frasenan cu bo ta skirbi pa bo, haciendo e algo dificil pa otro personanan compronde e faltanan cu por haci esaki un fuente di mal informacion, racismo y otro dañonan.

“Nan ta hopi bon den skirbi texto cu e mesun habilidadnan di ser humano,” Steven Le Scao, un ingeniero na Hugging Face a expresa. “Algo cu nan

no por haci hopi bon ta papia a base di echonan. E ta musta coherente, casi berdad, pero hopi biaha e texto of informacion ta incorrecto.”

Esaki ta un di e motibonan dicon un coalicion di investigadornan di AI conhuntamente cu e ayudo di gobierno Frances, a lansa un modelo nobo di Large Language Model cu tin e meta di sirbi como un antidoto pa e sistemanan manera GPT-3. E grupo ta yama BigScience y nan modelo ta yama BLOOM, pa BigScience Large Open-Science Open-access Multilingual Language Model.

Su funcion mas importante y impactante ta cu e ta torah cu 46 idioma incluyendo Arabe, Spaño y Frances, cual ta diferente na otro sistemanan cu ta funciona solamente den Ingles of Chino.

No solamente Le Scao su grupo ta purbando di habri e caha cu ta e modelonan aki. Companianan grandi den tecnologia manera Meta, cual ta doño di Facebook y Instagram, tambe ta haciendo esfuersonan pa por yega na e nivel di e sistemanan construi pa Google y OpenAI, e compania cu a crea GPT-3.

Presion competitivo pa crea e sistema mas elocuente y informativo, ademas di genera ganashi di su aplicacionnan, ta un di e motibonan dicon companianan di tecnologia ta mantene esaki y su informacion hopi protea y no ta colabora cu comunidad, segun Percy Liang, un profesor di ciencia di computer na Stanford ken ta dirigi Center for Research on Foundation Models.

(AP) – CEO di Tesla, Elon Musk a haci su movida den e demanda di Twitter pa forsa su persona cumpli cu e adkision di 44 bion dollar, segun varios notici-ero.

Den un documento entrega na Delaware Court of Chancery, Musk su abogadonan a acusa Twitter di a wanta informacion tocante e cantidad di cuentanan falso, cual ta un preocupacion di Musk pa hopi tempo caba, y di crea retrasonan pa medio di provee respuestanan evasivo y crea obstaculonan tecnico.

E documento tambe a contradeci Twitter su peticion pa un huicio rapido, alegando cu e lo tuma luna largo pa por obtene informacion for di Twit-

ter y pa yega na varios testigo tocante e cuentanan falso aki.

Den April, Musk a compromete su mes cu e lo adkiri Twitter, cual Twitter a keda di acuerdo na e terminonan di compra contrario na nan posicion original pa cu e adkision aki. Ambos banda awo ta preparando pa un pelea legal mirando cu e bionario a dicidi cu e no lo cumpli cu e acuerdo aki pa falta di e informacion di e cuentanan falso en cuestion.

Twitter a entrega nan demanda na Delaware Court of Chancery, cual hopi biaha ta e corte cu ta trata e desacuerdonan entre negoshinan y hopi corporacion, manera Twitter, cual ta incorpora den e corte aki.

acusacionnan.

huebs, y a bisa cu ta bay tene otro audiencia prome cu e huicio na 2023.

Spacey ta rechasa e acusacionnan.

Spacey ta enfrentando un demanda civil separa pa abuso sexual for di Rapp na corte federal na New York, Merca.

Minister di Finanzas, Xiomara Maduro (MEP):

Mike a corta sinta y awo Pueblo tin mas gasto di huur pa paga cu orguyo mescos cu e debe cu el a traha pa Aruba

Den e encuentro publico na Parlamento diahuebs ultimo, Parlamentario Eman a hiba palabra spliando cu Raad van Advies y CAFT a fada cu Gobierno, pasobra ta gastando mas placa na huur di edificio.

Locual cu Mike Eman no ta splica ta cu ora e tabata na mando el a corta sinta pa habri edificacion di MFA y cu awo e cuenta a yega pa Pueblo paga cu orguyo mescos cu e debe cu Mike a traha pa Aruba.

MFA ta edificio caro

Den su discurso Parlamentario Eman a trece dilanti cu desde 2017 ora cu e Gabinete Wever-Croes a yega na mando, por mira cu gasto di huur ta subi grandemente. Cu e gastonan di huur a subi ta berdad, pero ora analisa esaki, por mira cu e subida ta debi cu awor aki e cuenta a yega pa paga pa edificacion caro di MFA na Noord, Santa Cruz, Paradera y Savaneta. Ora Mike Eman a corta sinta di e edificacion aki, e no a splica Pueblo cu nan a wordo

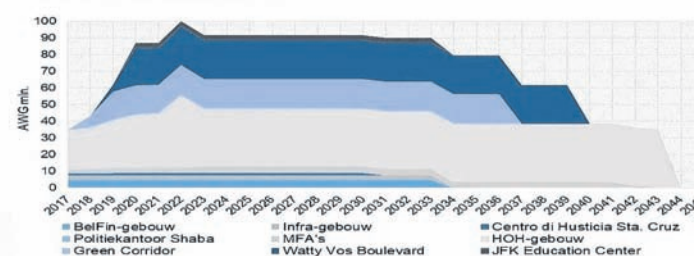

traha cu e formula PPP y cu esaki ta pone cu nan ta bira edificio cu costo hopi mas halto di huur Pa Pueblo Paga. Edificio nan traha cu e formula di PPP ta forma 60% di gasto di huur di Gobierno, y den esaki e gastonan pa e edificacion di MFA tin un costo mas caro.

No ta edificio di Mama, Papa of Tanchi

Manera custumber, Parlamentario Eman ta busca manera pa manipula informacion y recurri na e politica cu gasto di huur a subi debi cu un Gobierno di MEP a bay huur edificio cerca Mama, Papa of Tanchi. Pero e cifra nan ta papia idioma masha cla, ta Mike Eman mes a percura pa pusha gasto halto di huur den cartera di Pueblo.

Eman a corta sinta, core campaña cu centro nan multifuncional pa Pueblo den barrio, pero a lubida di splica Pueblo cu e gasto nan aki a yega awor Pa Pueblo Paga.

PUBLIEK-PRIVATE SAMENWERKINGEN

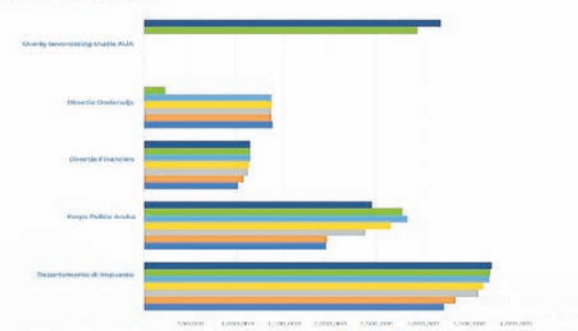

E huur mescos cu e debe ta pa Pueblo paga cu orguyo

Ta di lamenta cu Parlamentario Eman ta cuestiona subida di gasto di huur di Gobierno sin cu e ta tene cuenta

cu e decisionnan cu e mes como ex Minister President di Aruba a tuma. Ta bisto cu mescos cu Mike a tuma decision pa redobla e debe di Aruba, el a hisa gastonan di huur y a djis laga esaki atras pa Pueblo paga cu orguyo.

HUURGEBOUWEN

Parlamentario Marco Berlis (MEP): Hulanda kier dicta kico Parlamento di Aruba mester haci!

Hulanda no ta contento cu Parlamento a haci uso di su derecho pa amendeer un ley

Recientemente Parlamento di Aruba a aproba e ley di LNT. Inmediatamente gobierno di Hulanda a laga sa cu gobierno di Aruba a kibra e acuerdo cu nan tabata tin riba e ley di LNT, pasobra Parlamento di Aruba a dicidi di usa su autoridad legislativo pa traha un amienda, cu tabata contene cambianan minimal, sinembargo importante, den e ley aki.

Un di e cambianan ta amplia e tempo di transicion stipula den e ley, di 2 pa 5 aña. Esaki ta necesario pa duna e experto un chens pa ahusta su fianza cu e realidad di un salario reduci substancialmente. Ademas e ta evita casonan den corte pasobra dos aña di transicion ta un tempo demasiado cortico pa e cambio salarial aki.

E realidad tambe ta cu na Hulanda tin e mesun ley aki, cu ta wordo yama

WNT of bakenendenorm cu a dren ta na vigor 1 januari 2013. E WNT si ta duna expertonan Hulandes 7 aña di transicion. P'esey mi a haya cu ta sumamente inhusto di parti di Gobierno di Hulanda, cu awor kier bin impone un tempo di transicion di apenas dos aña pa nos expertonan na Aruba, loke den mi parecer ta totalmente inaceptabel. E forma aki di bin impone y demanda sin tene cuenta cu hende y problemanan huridico no ta cuadra cu maneho responsabel y etico.

Ademas di esaki, Hulanda kier forsa gobierno pa bisa Parlamento di Aruba kico pa haci, y asina forsa Parlamento di Aruba bay na amen di Hulanda. Esaki ta bay contra tur ley y etica di democracia y sigur ta un actitud colonial y inaceptabel. Nos ta un estado di derecho y Parlamento di Aruba ta e organo di mas halto di nos pais

y ta independiente. Esaki ta significa cu ora gobierno di Hulanda ta cera un convenio cu Hulanda, esaki ta sucede na nivel di gobierno y no ta inclui Parlamento. Acaso Tweede Kamer na Hulanda ta haci segun gobierno Hulandes ta manda? Gobierno di Aruba a cumpli dor di pasa e ley di LNT den Parlamento, sinembargo ta Parlamento ta dicidi con e ta trata y ahusta e ley aki. Esey ta e poder di Parlamento, cu ta e poder legislativo aki na Aruba.

Hulanda mester sa y sa masha bon, cu prome cu pandemia Aruba tabata bayendo riba bon caminda. Pandemia a pone nos na rudia. Awor ta parce cu Hulanda kier mantene nos riba rudia en bes di brinda e apoyo necesario pa yuda nos pais recupera y nos economia crece atrobe. Aruba semper a lucha y a logra, y nos lo logra un biaha mas pasobra e pueblo di Aruba ta di-

cidido di vence cualkier obstaculo cu ta den su caminda pa sigui progresa y sigura e bienestar pa nos futuro generacionnan.

‘AVP ta lucha pa balora nos profesionalnan cu un trato husto’

Partido AVP a acerca e problematica di e negligencia y falta di aprecio pa nos profesionalnan cu ta labora den e sector publico y semi publico, cu a wordo stigmatiza y demonisa pa Gabinete Wever-Croes.

Diasabra ultimo 9 di Juli 2022 durante e programa radial di partido AVP, lider di partido mr. Mike Eman acompaña pa candidato y profesional den e mundo di enseñansa Otami Thomasia, candidato y hoben hurista Wendrick Cicilia y un hoben profesional ariba e area di sostenibilidad y energia renovable cu elabora ariba e negligencia di nos profesionalnan den nos Pais y e consecuencianan cu e desaroyo aki por desencadena pa avance di nos Pais.

Recientemente durante e proceso di tratamiento di e concepto di lei cu ta norma e structural salarial (LNT) di nos profesionalnan, Gabinete Wever-Croes a stigmatiza y denigra nos profesionalnan den e sector publico cu ta entrega nan conocimiento y experticio na servicio di nos Pais y nos comunidad. Partido AVP a subraya e necesidad y importancia pa aprecia nos profesionalnan, mirando cu e desaroyo, innovacion, modernisacion y prosperidad di nos Pais ta depende di e calidad y conseho di nos profesionalnan.

Den clima di preocupacion pa cu e problematica di “Brain Drain” cu Aruba ta enfrentando, e actitud di Gabinete Wever-Croes ta un robes y cuestionabel. Lider di partido mr. Mike Eman a indica

cu efecto di “brain drain” lo ta devastador pa nos Pais. Aruba ta un Pais desaroya compara cu otro paisnan den region, esaki ta fruta di e empeño di nos profesionalnan cu ta dirigi y labora na Banco Central, SETAR, AHATA, WEB, ELMAR, APFA (pa menciona algun). E profesionalnan aki ta actor principal den contribui na duna contenido na e vision cu Aruba tabata tin pa brinda un miho calidad di bida pa nos ciudadanonan y mehora e producto Aruba.

E profesionalnan den e ambito di enseñansa ta demotiva y demoralisa, esaki Maestra y Candidato Otami Thomasia a confirma y subraya. Maestranan di scol cu mester un entrega fraccion di nan salario sin un perspectiva cu lo ricibi esaki bek, y alabes atende cu retonan cu ta wordo ocasiona pa cu ausencia di atencion y inversion den enseñansa ta dificulta e tareanan di e maestra. Otami Thomasia a articula varios dolor cu ta biba den e mundo di enseñansa y

ta condena e falta di vision y interes pa promove cambionan positivo y necesario pa asina eleva e calidad di enseñansa.

Durante e discusion y intercambio di pensamiento local a resalta ta e conclusion cu Gabinete Wever-Croes no tin un vision cu ta inspira ni motiva nos generacion nobo y nos profesionalnan. Wendrick Cicilia a indica cu “sin un vision nos ta perde e oportunidad di inspira un generacion” y a indica cu e preocupacion mas amplio di

nos hoben profesionalnan ta e ausencia di un vision enfoca riba diversificacion economico cu ta crea oportunidad pa empleo di calidad pa nos profesionalnan local.

e hoben Experto ariba e area di sostenibilidad ta lamenta cu e gobernante nan actual a bandona e vision di energia renovable. Aruba di Promer Minister Mike Eman. E tempo ey Aruba tabata un ehempel. Aruba tin tur e recursonan natural pa haci e transicion pa energia renovable

limpi utilizando solo, biento y demas recursonan manera wave-energie. Cu awe e vision a wordo aborta ta decepcionante pa nos profesionalnan den e area di energia. Un vision cu a crea pa Aruba oportunidad nan nobo, unda partnernan strategico manera TNO y Rocky Mountains Institute a bini Aruba pa asina yuda carga y desaroya e vision di un Pais sostenibel.

Aruba ta enfrenta competencia den Reino Hulandes, den region y internacional. Den mundo unda tur Pais ta ofrece e mihor beneficiacion pa asina atrae talentonan y profesionalnan, nos mester aprecia nos profesionalnan cu a scoge pa keda contribui of bin bek Aruba pa contribui na nos Pais. Esaki ta e refleho di nan amor pa nos Pais. Partido AVP ta condena e campana di Gabinete Wever-Croes pa asina stigmatiza y demoralisa nos profesionalnan y cuestiona nan amor pa nos Pais. Lider di partido mr. Mike Eman acompaña pa profesionalnan a confirma cu “NOS PROFESIONALNAN MERECE UN TRATO DIGNO PA NAN CONTRIBUCION NA NOS PAIS”.

Minister di Relacionnan Internacional, Wopke Hoekstra ta reporta esaki den un carta na Tweede Kamer di Parlamento Hulandes, tocante e esfuersonan di Reino Hu-

landes durante e siman di UNGA. “Pa motibo di nan ubicacion, e scala chikito, dependencia grandi riba turismo y importacion, nan ta vulnerable pa desaroyonan geopolitico y cambio climatico”, e minister ta bisa.

“Reino Hulandes ta comprometi na desaroyo sostenible, igualdad di oportunidad y adaptacion na clima, pa sigura cu tur persona por participa completamente den sociedad. Esaki tambe ta di gran importancia pa e SIDS dentro di Reino. Ta importante pa e retonan specifico pa e estadonan isla keda riba agenda di Nacionnan Uni.”

Parti Caribense di Reino Hulandes involucra den devolucion di artefactonan cultural colonial

(CuraçaoChronicle) – Secretario di Estado pa Educacion, Cultura y Ciencia, Gunay Uslu ta bay involucra e paisnan Aruba, Corsou y Sint Maarten, y e municipalidadnan special Bonaire, Sint Eustatius y Saba, den e devolucion di artefactonan cultural colonial.

Uslu a skirbi esaki na Tweede Kamer di Parlamento Hulandes durante weekend tocante establecimiento di un comite independiente cu ta bay evalua aplicacionnan pa devolu-

cion di obhetonan cultural cu por a wordo hiba na Hulanda ilegalmente durante temponan colonial y awo ta exhibi den museonan Hulandes.

RMR a pospone decision riba sosten di likides pa Sint Maarten

(TheDailyHerald) – Consejo di Minister di Reino (RMR) diabierna a pospone e decision riba un sosten di likides nobo pa St. Maarten. Gobierno Hulandes kier conseho adicional tocante pago di vakantiewaarskosten pa ambtenaarnan.

Minister Plenipotenciario di Sint Maarten, Rene Violenus ta decepciona pero ta spera un decision positivo dentro di algun dia.

St. Maarten a solicita NAF. 14 milyon di sosten pa e tercer kwartaal di 2022. E tabata e prome peticion di e aña pasobra no tabatin mester di prestamo adicional den e prome y segundo kwartaal di e aña. Violenus a bisa cu e solici-

tud ya tabata aproba pa Colegio di Supervision Financiero Cft, pero gobierno Hulandes no a bay di acuerdo ainda.

Secretario di Estado Alexandra van Huffelen a bisa cu nan kier mas informacion si e pago aki ta di acuerdo cu e acuerdo entre Sint Maarten y Hulanda. Violenus a confirma esaki.

Violenus a agrega cu e sosten di likides ta extra importante pa motibo di temporada di horcan, cu por conduci na gasto mas halto. Pa e motibo aki el a haya e retraso decepcionante.

Minister Hulandes ta defende cronograma pa reforma di sector di wega di placa na Corsou

(CuraçaoChronicle) – Minister Hulandes pa Proteccion Legal, Franc Weerwind a defende e cronograma pa reforma di sistema di wega di placa na Corsou, y ta punta riba e progreso cu e isla ta haciendo den implementacion di e reformanan solicita pa gobierno Hulandes.

Ta spera cu legislacion nobo ta bay eleva e barera di entrada, potencialmente forsanando algun operador di wega di placa pa sali di mercado, pero minister di Finanzas di Corsou, Javier Silvanía ta bisa cu e perdida di e operadornan cu no por cumpli cu e standardnan nobo no lo ta un perdida grandi.

Contestando preguntanan den parlamento, Weerwind a bisa cu gobierno Hulandes ya caba tabata trahando cu Corsou pa actualisa e sistema di wega di placa. Hulanda ta mara ayudo di Covid-19 na reformanan den sistema di wega di placa na Corsou, entre otro, y a exigi mas transparencia y un berdadero autoridad di licencia.

Esaki ta un preocupacion pa Hulanda, y ta e motibo, entre otro asunto, cu e landspakket pa Corsou ta contene dos medida pa reforma y modernisa henter e sector di wega di placa, particularmente e sector di wega di placa online den exterior, el a bisa.

Sinembargo, el a agrega cu Hulanda no por impone su propio reglanan riba Corsou, sino cu mester warda pa medidanan pasa e proceso legislativo eyan.

Contestando e preguntanan parlamentario, Weerwind tambe a discuti e otro dos paisnan di ultramar di Reino, Aruba y Sint Maarten. Aruba tin un regulador cu ta supervisa casino, mientras Sint Maarten no tin ningun regulador, pero e minister ta bisa cu ambos pais ta comprometi pa instala un regulador pa supervisa henter e sector di wega di placa.

(NLTimes) – Corant Hulandes AD no ta ser permit atende e sesionnan den corte cu ta falta pa e aña aki relaciona cu e huicio di Ridouan Taghi conoci como Marengo Process.

E corant a bisa riba diabierna cu nan a ser informa tocante e decision di parti di maneho di corte di Amsterdam. E decision a ser tuma pa motibo cu e corant a live stream video di e sesion riba dia 28 di juni directamente riba sitio web di e corant.

E hues encarga a yama e live stream di e imagennan “completamente contrario na e acuerdonan cu a ser haci.” Camaranan ta permiti den corte, sinembargo e uso di e imagennan ta mara na reglanan estricto, incluyendo esunnan cu ta relaciona cu privacidad. E hefe di redaccion di AD, Rennie Rijpma a bisa cu e ta acepta e sancion di corte. “Nos ta haya cu e ta un sancion pisa,” Rijpma a bisa den e corant. “E ta limita nos pa un tempo mas largo den reporta un caso criminal cu un impacto social hopi grandi. Na mesun momento, nos ta compronde cu corte mester monitor e seguridad di e proceso hudicial, y si a comete un error, e sancion mester sigui esaki.”

Hulanda ta activa Plan Nacional di Calor a causa di preocupacionnan tocante salud

(NLTimes) – **National Heat Plan lo drenta den efecto awe na Hulanda, segun National Institute for Public Health and the Environment (RIVM).**

E calor na Europa ta asina fuerte cu e por crea humedad fuerte y visibel den aire, personanan cu tin alergia pa esaki pro desaroya kehonan di salud pa causa di esaki. Pa motibo aki, ademá di e plan di calor, tambe lo tin un alerta pa cu esaki cuminsando for di dialuna.

RIVM a bisa cu e calor por causa problemanan di salud

den varios grupo vulnerabel, manera personanan di edad avansa. Esaki por trata di sinti inconfortabel, fatiga, dolor di cabes y problemanan di concentracion pero tambe problemanan mas serio manera deshidratacion y ‘heat stroke’.

“E personanan di edad mas avansa ta e grupo mas vulnerabel, pa motibo cu nan ta menos habilidad di controla e temperatura di nan curpa y ta menos probabel di sinti sed” segun RIVM. Otronan tambe por tin problema, manera personanan cu tin condicionnan cronico, personanan cu ta socialmente isola, per-

sonanan sin vivienda, personanan cu ta sufri di obesidad, muchanan chikito incluyendo baby y peuter. “Calor extremo y algun otro condicionnan ambiental ta afecta tur hende, sinembargo e ta impacta gruponan vulnerabel di un manera mas fuerte.”

Negoshinan chikito kier empleadonan ricibi compensacion liber di impuesto pa e aumento den prijs di energia

(NLTimes) – **Companianan mester ricibi e oportunidad di por compensa nan empleadonan sin mester paga impuesto pa e costonan mas halto di energia cu nan ta enfrentando, segun Jacco Vonhof.**

E president di e grupo MKB-Nederland a propone e idea aki den un entrevista cu De Telegraaf.

“Semper nos a bisa gobierno, ‘sigura cu hende tin un cantidad mas halto ta resta di nan entrada.’ 70 cent di cada euro extra gana ta bay directamente na e estado su cartera. Kiermen, si un dunado di trabao kier haci duna algo extra, esaki no tin un impacto directo pa e empleado,” segun Vonhof.

“Esaki ta e motibo dicon mi a bisa varios biaha internamente cu nos mester ricibi e opcion di temporariamente provee un suma liber di cualkier impuesto pa empleadonan cu ta ser confronta cu gastonan halto di energia. Ya caba nan ta considerando esaki na Alemania.”

MKB-Nederland su president a enfatisa cu e negociantenan no ta legalmente obliga pa cualkier trato cu e

haci, y ta bisa cu esaki mester keda regula den acuerdonan colectivo di labor. “Sinembargo tur e negociantenan cu ta mira nan empleado ta den problema, kier haya un solucion. Esaki ta e motibo dicon nos kier e espacio di haci un pago liber di impuesto pa un of dos aña. E gobierno no lo perde ningun entrada, pa motibo cu si nos no duna e tipo di compensacion aki, e Estado tampoco lo ricibi nada.

E lista di “TO DO’s” aki ta crea un agenda na unda cu e desaroyo no ta basa solamente riba e perspectiva economico pero tambe ta inclui aspectonan social y di medio ambiente. Pa por implementa un estructura efectivo di e Metanan Mundial pa Desaroyo Sostenibel (SDGs) ta rekeri un comunidad comprometi y mas activo.

Nos kier scucha mas di e sector educativo, negoshinan y organisacionnan no gubernamental y demas departamentonan, con nan ta contribui na e metanan aki. Pa crea un Aruba mas sostenibel ta rekeri e esfuerzo di tur pa logra e metanan. Mas uni nos ta, miho nos ta logra – realizando cu no tur por wordo realisa pareu.

Riba e website nos ta comparti e storianan aki den un rapport mas elabora, cual tambe lo wordo entrega na Nacionnan Uni den un forma digital cu un link na e website di SDG Aruba: www.sdg.aruba.com.

Feds to investigate Maryland State Police hiring practices

(AP) - The U.S. Justice Department has opened an investigation into the Maryland State Police to determine if the agency engaged in racially discriminatory hiring and promotion practices, federal prosecutors announced Friday.

Word of the investigation follows a series of complaints from Black troopers about harassment and mistreatment by fellow white officers, concerns that drew the attention of a Maryland state legislator last year.

“Discrimination has no place in any workplace, and especially in law enforcement agencies,” Assistant U.S. Attorney General Kristen Clarke of the Justice Department’s Civil Rights Division said in a news release. “Our investigation will determine whether the Maryland Department of State Police has created racially discriminatory barriers for Black people seeking job opportunities and promotions and, if so, identify the reforms necessary to ensure equal employment opportunities.”

Maryland Gov. Larry Hogan and Maryland State Police Superintendent Col. Woodrow W. Jones III have been informed and pledged cooperation with the investigation, the news release said.

“Significant actions have been taken and are continuing to address even the perception of racism or unfair treatment of any kind,” Jones said in a

statement issued Friday afternoon.

Hogan’s office issued a statement calling Maryland State Police “the finest police organization in the country.” He said the state has committed funds to increase diversity and strengthen recruitment.

“It is important to ensure any wrongdoing is addressed, so we welcome this investigation and have pledged full cooperation,” said Michael Ricci, spokesperson for the governor’s office.

In 2021, Maryland State Sen. Joanne Benson of Prince George’s County said Black troopers accused the agency of racism and discrimination, pointing to disparities in discipline and promotions, as well as underrepresentation and allegations of instances of retaliation.

Benson met with more than 20 Black troopers who presented her with documents detailing their claims, WRC in Washington reported in February 2021. The television station did not identify the troopers because those who spoke out are violating department policy.

“They had the paperwork. They had the proof,” Benson said. “They had done their homework relative to the incidents that have occurred and the problems they were experiencing.”

Benson said Friday afternoon that the Maryland Legislative Black Caucus has been trying to draw attention to the problem of racism and discrimination within the state police for at least eight years. She said that after there was no significant progress, some of the troopers decided to take their case to the Department of Justice.

“What they have done to African American state troopers ... has been shameful,” Benson said. “The discipline, the unfair suspensions, the terminations, the way that they discipline the African American state troopers over the white ones has just been unbelievable.”

Statistics provided by Maryland State Police and reported by WRC showed Black officers make up 8.9% of high-ranking commissioned officers and 11% of the agency’s non-commissioned officers, with very few rising to lieutenants.

Clarke F. Ahlers, a Maryland attorney who is representing Black troopers in several lawsuits against the state police, said he welcomes the Justice Department investigation.

“My belief is that the Maryland State Police have engaged in an unfortunate process of discriminating against troopers of color,” Ahlers said.

New 988 hotline is the 911 for mental health emergencies

(AP) - Quick help for suicidal thoughts and other mental health emergencies will soon be as easy as 9-8-8.

The United States' first nationwide three-digit mental health crisis hotline goes live on Saturday. It's designed to be as easy to remember and use as 911, but instead of a dispatcher sending police, firefighters or paramedics, 988 will connect callers with trained mental health counselors.

The federal government has provided over \$280 million to help states create systems that will do much more, including mobile mental health

crisis teams that can be sent to people's homes and emergency mental health centers, similar to urgent care clinics that treat physical aches and pains.

"This is one of the most exciting things that has happened" in mental health care, said Dr. Brian Hepburn, a psychiatrist who heads the National Association of State Mental Health Program Directors.

Hepburn cautions that when 988 kicks off, it will not be like "the flick of a switch. It's going to take a number of years in order for us to be able to reach everybody across the country."

Some states already have comprehensive mental health crisis systems, but others have a long way to go. And widespread shortages of mental health specialists are expected to slow their ability to expand services.

A RAND Corp. survey published last month found that fewer than half of state or regional public health officials were confident about being ready for 988, which is expected to generate an influx of calls.

Nearly 60% said call-center staffers had specialized suicide prevention training; half said they had mobile crisis response teams available 24/7 with licensed counselors; and fewer than one-third had urgent mental-health care units.

The 988 system will build on the National Suicide Prevention Lifeline, an existing network of over 200 crisis centers nationwide staffed by counselors who answer millions of calls each year — about 2.4 million in 2020. Calls to the old lifeline, 1-800-273-8255, will still go through even with 988 in place.

"If we can get 988 to work like 911 ... lives will be saved," said Health and Human Services Secretary Xavier Becerra.

Dispatching paramedics for heart attacks and police for crimes makes sense — but not for psychiatric emergencies, mental health advocates say. Calls to 911 for those crises often lead to violent law enforcement encounters and trips to jail or crowded emergency rooms where suicidal people can wait days for treatment.

The 988 system "is a real opportunity to do things right," said Hannah Wesolowski of the National Alliance on Mental Illness.

Sustained funding will be needed. According to the National Academy of State Health Policy, four states have enacted laws to impose telecommunications fees to support 988 and many others are working on the issue.

A desperate call to a Utah state senator in 2013 helped spark the idea of a three-digit mental health crisis line.

Sen. Daniel Thatcher says a good friend sought his help

after taking his suicidal son to an emergency room, only to be told by a doctor to come back if the boy hurt himself.

Thatcher has battled depression and at 17, he also considered suicide. He knew that despondent people in crisis may lack the wherewithal to seek out help or to remember the 10-digit national suicide lifeline number.

Thatcher found that many of Utah's in-state crisis lines went straight to police dispatchers or voicemail. He wondered why there was no 911 service for mental health, and the idea got national attention after he mentioned it to longtime Sen. Orrin Hatch.

In 2020, Congress passed the bill designating the 3-digit crisis number and then-President Donald Trump signed it into law.

Thatcher's mother was a nurse and knew where to get him help. He says 988 has the potential to make it that easy for others.

"If you get help, you live. It really is that simple," Thatcher said.

US agencies temporarily barred from enforcing LGBTQ guidance

(AP) - A judge in Tennessee has temporarily barred two federal agencies from enforcing directives issued by President Joe Biden's administration that extended protections for LGBTQ people in schools and workplaces.

U.S. District Judge Charles Atchley Jr. in an order on Friday ruled for the 20 state attorneys general who sued last August claiming the Biden administration directives infringe on states' right to enact laws that, for example, prevent students from participating in sports based on their gender identity or requiring schools and businesses to provide bathrooms and showers to accommodate transgender people.

Atchley, appointed by President Donald Trump in 2020, agreed with the attorneys generals' argument and issued a temporary injunction that prevents the agencies from applying that guidance on LGBTQ discrimination until the matter can be resolved by courts.

"As demonstrated above, the harm alleged by Plaintiff States is already occurring — their sovereign power to enforce their own legal code is hampered by the issuance of Defendants' guidance and they face substantial pressure to change their state laws as a result," Atchley wrote.

The attorneys general are from Alabama, Alaska, Arizona, Arkansas, Georgia, Idaho, Indiana, Kansas, Kentucky, Louisiana, Mississippi, Missouri,

Montana, Nebraska, Ohio, Oklahoma, South Carolina, South Dakota, Tennessee and West Virginia.

The directives regarding discrimination based on sexual orientation was issued by the U.S. Department of Education and the Equal Employment Opportunity Commission in June following a landmark civil rights decision by U.S. Supreme Court in 2020 that, under a provision called Title VII, protects gay, lesbian and transgender people from discrimination in the workplace.

The Department of Education guidance from June 2021 said discrimination based on a student's sexual orientation or gender identity would be treated as a violation of Title IX, the 1972 federal law that protects sex discrimination in education.

The Equal Employment Opportunity Commission released guidance that month about what could constitute discrimination against LGBTQ people and advised the public about how to file a complaint.

With its guidance, the Biden administration in part took a stand against laws and proposals in a growing number of states that aim to forbid transgender girls from participating on female sports teams. The state attorneys general contend that the authority over such policies "properly belongs to Congress, the States, and the people."

The education policy carried the possibility of fed-

eral sanctions against schools and colleges that fail to protect gay and transgender students.

The attorneys general argued that a delaying a legal review of the directives would "cause them significant hardship, as Defendants would be allowed to use the 'fear of future sanctions' to force 'immediate compliance' with the challenged guidance," Atchley wrote.

"The Court finds that Plaintiffs have shown a credible threat of enforcement," Atchley wrote. "Plaintiffs highlight that private litigants are relying on Defendants' guidance to challenge Plaintiffs' state laws."

Atchley noted that the U.S. Department of Education has filed a statement of interest in a West Virginia lawsuit taking a position that Title IX prohibits the state from excluding transgender girls from participating in single-sex sports restricted to girls.

Fires scorch France, Spain; temperature-related deaths soar

(AP) — Firefighters battled wildfires raging out of control in France and Spain on Sunday as Europe wilted under an unusually extreme heat wave that authorities in Madrid blamed for hundreds of deaths.

Two huge blazes, which have consumed pine forests for six days in southwestern France, have forced the evacuation of some 14,000 people. Water-dropping planes zig-zagged the area near Bordeaux, as flames lapped at the edge of a farm field, and smoke blanketed the skyline above a mass of singed trees, in images shared by firefighters.

In Spain, firefighters supported by military brigades tried to stamp out over 30 fires consuming forests spread across the country. Spain's National Defense Department said that "the majority" of its fire-fighting aircraft have been deployed to reach the blazes, many of which are in rugged, hilly terrain that is difficult for ground crews to access.

Fire season has hit parts of Europe earlier than usual this year after a dry, hot spring that the European Union has attributed to climate change. Some countries are also experiencing extended droughts,

while many are sweltering in heat waves.

So far, there have been no fire-related deaths in France or Spain. In Portugal, a pilot of a firefighting plane died when his aircraft crashed on Friday.

But as temperatures remained unusually high, heat-related deaths soared. In Spain's second heat wave of the summer, many areas have repeatedly seen peaks of 43 degrees Celsius (109 degrees Fahrenheit). According to Spain's Carlos III Institute, which records temperature-related fatalities daily, 360 deaths were attributed to high temperatures from July 10 to 15. That was compared with 27 temperature-related deaths the previous six days.

The death of a street cleaner after he suffered a heat stroke while working led Madrid's town hall to give its street cleaners the option to work in the evenings.

Almost all of Spain was under alert for high temperatures for another day Sunday, while there was a heat wave warnings for about half of France, where scorching temperatures were expected to climb higher on Monday. The French government has stepped up efforts to protect

people in nursing homes, the homeless and other vulnerable populations after a vicious heat wave and poor planning led to nearly 15,000 deaths in 2003, especially among the elderly.

Meanwhile, the fire in La Teste-de-Buch has forced 10,000 people to flee at a time when many flock to the nearby Atlantic coast area for vacation. And authorities shut down access to Europe's tallest sand dune, the Dune du Pilat.

The Gironde regional government said Sunday afternoon that "the situation remains very unfavorable" due to gusting winds that helped fan more flare-ups overnight.

"The emergency services are prioritizing protecting the population, preserving sensitive areas and limiting the progression of the fire," authorities said, without addressing when they might be able to bring it under control.

A second fire near the town of Landiras has forced authorities to evacuate 4,100 people this week. Authorities said that one flank has been brought under control by the dumping of white sand along a two-kilometer (1.2-mile) stretch. Another flank, however, remains unchecked.

People who were forced to flee shared worries about their abandoned homes with local media, and local officials organized special trips for some to fetch pets they had left behind in the rush to get to safety.

Overall, more than 100 square kilometers (40 square miles) of land have burned in the two fires.

Emergency officials warned that high temperatures and winds Sunday and Monday would complicate efforts to stop the fires from spreading further.

"We have to stay very prudent and very humble, because the day will be very hot. We have no favorable weather window," regional fire official Eric Florensan said Sunday

on radio France-Bleu.

Some of the most worrisome blazes in Spain are concentrated in the western regions of Extremadura and Castilla y León. Images of plumes of dark smoke rising above wooded hills that have been baked under the sun have become common in several scarcely populated rural areas.

Drought conditions in the Iberian Peninsula have made it particularly susceptible to wildfires. Since last October, Spain has accumulated 25% less rainfall than is considered normal — and some areas have received as much as 75% less than normal, the National Security Department said.

Candidates for UK leader seek to woo right wing before vote

(AP) — The candidates to become the next British prime minister bur-nished their right-wing credentials Sunday, as they looked to remain in the race to succeed Boris Johnson.

Many of the five remaining hopefuls highlighted issues linked to Brexit and immigration as they attempted to woo fellow Conservative lawmakers ahead of a third round of voting on Monday,

when another contender will drop out.

Even though the eventual winner will automatically become prime minister, the contenders must appeal to a narrow constituency of party members, who tend to be whiter, older and more right-wing than the general public. The candidates face a series of votes from lawmakers this week, who will narrow down the field to two, before facing a runoff among an estimated

180,000 Conservative Party members.

Writing in Britain's Sunday Telegraph newspaper, the former Treasury chief Rishi Sunak, who is the frontrunner among Conservative lawmakers, pledged to tear up European Union laws as Britain beds down its position outside the bloc.

Appealing to the pro-Brexit party vote, Sunak wrote that he will have "scrapped or reformed all of the EU law, red tape and bureaucracy that is still on our statute book and slowing economic growth" by the time of the next election if he becomes the next prime minister.

Meanwhile, Trade Minister Penny Mordaunt, who became a surprise frontrunner and bookmaker favorite last week, was forced to challenge accusations that she had pushed through a pol-

icy to end the requirement for trans people to obtain a medical diagnosis of gender dysphoria before they could legally change gender when she was equalities minister in Theresa May's government.

She told the BBC's Sunday Morning program that she had managed a consultation with health care professionals but no policy had been developed while she was in the job.

Despite the demographics of the members, the race to succeed Johnson has been called the most diverse for a British prime minister. Sunak and Kemi Badenoch, a former equalities minister, are both non-white, while three of the remaining five contenders are women.

Badenoch, whose parents are from Nigeria, remains little known. But she has seen her star rise after her public

showing in a television debate Friday, and led a poll of party members by the ConservativeHome website on Sunday.

She would be the first Black prime minister and, at 42, the youngest in more than 250 years.

Despite her background, she has made immigration control a key pillar of her political pitch, pledging Sunday to "do whatever it takes to deal with the small boats issue." More than 14,000 migrants have made the 20-mile journey to Britain across the English channel from France so far this year.

Liz Truss, the foreign secretary, is touting her international experience, as Britain's top diplomat and a former trade secretary, and is vowing to take a tough line with the European Union in post-Brexit trade spats.

Zimbabwe students scoop international awards for moot court

(AP) — A history-making team of Zimbabwean high school students that became world and European moot court competition champions has been widely praised in a country where the education system is beset by poor funding, lack of materials and teachers' strikes.

The 11-member Zimbabwean team of nine girls and two boys aged between 14 and

18 and drawn from different schools was crowned world champions last month after winning the International High School Moot Court competition held online at the end of May. A team from New York City came second in the competition where participants used fictional cases to simulate proceedings in the International Criminal Court pre-trial chambers.

Zimbabwe now has also been crowned champions of Europe after beating The Netherlands in the finals of the European Moot Competition for high school students on July 3. It was Zimbabwe's first time competing in both prestigious events.

Organizers of the European competition were so impressed with Zimbabwe's performance at the International High School Moot Court competition that they invited the team to be the first-ever African country to enter their competition, said team captain Ruvimbo Simbi.

"It is surreal and extraordinary," said Simbi after returning from Romania, where the European competition was held.

"When we were at the European Moot Court, many people didn't even know Zimbabwe. We put Zimbabwe on the map, letting the world know of the amazing talent found in this country," said Simbi.

The southern African country's president, Emmerson Mnangagwa, in June invited the team to his official residence and presented them with \$30,000 in cash following their victory in the high school competition. He described the latest win as "another victory for the pride of

Zimbabwe."

The European Union delegation in Zimbabwe has also congratulated the team.

The winning team received a rousing reception by hordes of schoolchildren, parents and supporters when they returned last week. The usually subdued airport was filled with cheers, song and dance when the team arrived displaying their awards. The team was treated to a welcome with a red carpet, flowers and balloons. Some held placards reading "Welcome back champions." Others played drums and marimba, a traditional instrument of wooden bars played using mallets.

When Zimbabwe achieved independence and majority rule in 1980, the new government vigorously expanded the country's education system so that all Black children could attend primary and secondary school. Previously the education system had catered mainly for the country's white minority. Zimbabwe achieved one of Africa's highest literacy rates.

Despite these problems, Zimbabwe's education system is still rated highly in Africa.

The victories at the international moot court events "mean a lot to us Zimbabwean educators," said Kudzai Mutsure, head of Dominican Convent, a girls-only Catholic school in Harare where some of the team members are enrolled.

"We take academic, sport and cultural activities very seriously," said Mutsure. "A student can flourish in one of those areas."

China floods leave at least 12 dead, thousands evacuated

(AP) — Flash floods in southwest and northwest China have left at least a dozen dead and put thousands of others in harm's way, state media reported Sunday.

In the southwestern province of Sichuan, at least six people have died and another 12 are missing after torrential rain triggered flash floods, state-owned news outlet CGTN reported.

Some 1,300 people had been evacu-

ated as of Saturday, the report said.

Meanwhile, in Longnan city in the northwestern province of Gansu, another six deaths were reported and 3,000 people have been evacuated, state broadcaster CCTV said. Rainfall in 1 1/2 day was as much as 98.9 millimeters (3.9 inches) in the worst affected areas, almost double the July average.

The rains come amid a heat wave in

parts of the country including eastern Zhejiang province and the city of Shanghai, with temperatures soaring as high as 42 degrees Celsius (107 Fahrenheit) last week.

Experts say such extreme weather events are becoming more likely because of climate change. Warmer air can store more water, leading to bigger cloudbursts when it's released.

The flooding adds to economic woes

brought on partly by stringent "zero-COVID" measures restricting travel and disrupting supply chains.

China is not the only country experiencing extreme weather this summer. In Germany, low water levels in the Rhine due to droughts have disrupted the supply chain for commodities into the country. Heat waves have also hit the southern part of the U.S., with temperatures expected to soar over 38 C (100 F) in coming days.

Kerley leads red, white & blue sweep of 100 at worlds

(AP) — Before the race, U.S. fighter jets zoomed over the stadium. Then, down on the track, Americans flashed a different kind of speed.

Fred Kerley led the charge Saturday on an All-American night for track and field, headlining the first U.S. sweep of the sport's marquee event, the men's 100, in 31 years at the worlds. It placed a red-white-and-blue stamp on Day 2 of the first championships held on American soil.

"We said we were going to do it and we did it," Kerley said in the on-track interview, moments after the crowd

had finished chanting "USA! USA! USA!"

Kerley powered through the line to finish in 9.86 seconds and beat both the reigning Marvin Bracy and the 2021 U.S. champion, Trayvon Bromell, by less than 0.02 seconds. The difference between second and third was 0.002.

It marked the first American sweep at the world meet since Carl Lewis, Leroy Burrell and Dennis Mitchell went gold-silver-bronze in 1991 in Tokyo.

"It's amazing," said Burrell, who was on hand. "And honestly, I wouldn't have expect-

ed less from the group. This is one of the best groups of U.S. sprinters we've had in years."

This All-American burst of speed came moments after the jets presaged the evening's main event by blazing over Hayward Stadium, the still-cozy confines on the University of Oregon campus that were renovated to bring the championships to the U.S. for the first time.

The race itself brought back memories of times when the U.S. dominated the track game in the same way Jamaica and Usain Bolt did for nearly a decade starting in 2008. Some might call that

the good old days — Lewis was a star and Burrell and few others certainly filled the stands. That was also a time of the sullen track superstar and an era marred by doping. This one felt more like a

bunch of comeback stories and "I told ya so's."

"It's amazing to be around the greats," Kerley said. "They did it in '91, and now we did it in '22."

McIlroy, Hovland avoid blunders to share British Open lead

(AP) — Cheers from every corner of the Old Course that belonged to Tiger Woods for two days at St. Andrews switched over to Rory McIlroy in the British Open, and he certainly did his part to give them what came to see Saturday.

McIlroy holed a bunker shot for eagle on the 10th hole that he described as part skill and part luck, but it was pure magic. He showed discipline to know when to aim away from the flag, and to take bogey when he was stuck between a wall and a road behind the 17th green.

McIlroy now shares the stage at the home of golf with Viktor Hovland, the emerging Norwegian star who was every bit as good in mak-

ing birdies and avoiding the blunders that cost so many other potential contenders.

Both made birdie on the final hole for a 6-under 66. No one else was closer than four shots. They have the same score at 16-under 200, though the support is one-sided.

"They're chanting his name out there. I think he's definitely a crowd favorite," Masters champion Scottie Scheffler said. "How can you not root for Rory?"

McIlroy is one round away from ending eight long years without a major. He wants to stay in his world without ignoring the support raining down on him.

"I think it's appreciating

the moment as well and appreciating the fact that it's unbelievably cool to have a chance to win The Open at St Andrews," McIlroy said. "It's what dreams are made of. And I'm going to try to make a dream come true tomorrow."

Hovland, already with six victories worldwide in his four years since leaving Oklahoma State as a U.S. Amateur champion, could appreciate the support for McIlroy and all he has done. He played mistake-free and sounded as though he were up for the task.

"I'm going against one of the best players in the world and I'm certainly not going to hold back, because he's certainly not," Hovland said.

It wasn't a two-man race, even if it felt that way as the Old Course emptied and bagpipes began to skirl at the end of the day.

Cameron Smith, who started with a two-shot lead, took double bogey on the 13th hole when he tried a bold play with his feet in a pot bunker. Cameron Young went over the 16th green and then back down the other side for a double bogey on the 16th hole.

They were four shots behind, still in the game. Two-time major champion Dustin Johnson, the best candidate from the Saudi-funded LIV Golf league to claim this major, putted across the green and into a bunker for one of three bogeys on the back nine. He fell six shots behind.

McIlroy and Hovland had no such trouble.

Hovland holed a pair of 40-foot putts on his way to four straight birdies on the front nine to seize the lead. McIlroy finally caught him by holing out from a pot bunker some 80 feet away for eagle on the 10th hole, setting off a roar that could be heard all the way back at the Royal & Ancient clubhouse.

McIlroy only a day earlier tipped his cap to Woods as he started his second round and Woods was on his way to missing the cut, crossing the Swilcan Bridge for what might have been last time. The R&A set the tee times that way so they would pass

each other.

Woods stands alone in driving the sport, though McIlroy is the most popular worldwide, and it sounded like that — on the first tee when McIlroy was introduced, for every birdie, and when he took the lead for the first time with a birdie on the 14th.

"I love that I've got so much support," McIlroy said. "But at the same time, I need to keep in my own little world and try to play a good round of golf. Hopefully, that's enough."

His lone mistake was coming out of the left rough and over the 17th green, across the road and near the stone wall. He played a safe pitch onto the green and two-putted for bogey.

Hovland, bogey-free for the round, showed off some magic of his own on the 17th by putting off the dirt path just short of the road, up the hill to about 5 feet for a par.

"I've never been in a bigger spot in my career," Hovland said. He sounded up to the task, and the popular Norwegian also saw — and heard — what he will be up against Sunday.

"I get a couple in there," he said of the cheers so heavily slanted toward McIlroy. "I'm probably an underdog, but I don't mind that at all. Hopefully, we can push ourselves tomorrow."
